City Administrator Tom Swenson read the Affidavit of Mailing confirming that the notice of final assessment hearing was deposited in the U.S. Post Office on October 18, 2001 mailed in a prepaid envelope containing the notice of the hearing along with the record of assessment showing the proposed cost to each benefiting property owner based on addresses obtained from the Crow Wing County Auditor's Office. City Engineer Dave Reese presented the project summary for the road improvement project. He stated that the project has been completed and the summary reflects the numbers estimated from the feasibility study and the actual cost of the improvement. The feasibility study completed by Widseth Smith Nolting estimated the cost of the project at \$15,168. The actual project cost is \$14,126.83. This road was turned back to the City from the County therefore, Crow Wing County has agreed to pay 50% of the share of the construction cost or \$3,493.79. Of the remaining balance, the City will pay \$5,316.52 and the benefiting property owners will pay \$5,316.52. The total number of equivalent lot units calculated at the time of the feasibility study was 4 and the actual number of equivalent lots is 4 for a cost of \$1,329.13 per equivalent lot unit. It was noted that the assessment can be paid in full within thirty days of the adoption of the assessment roll without incurring interest. If the assessment is not paid in full, it will be assessed over a period of ten years and included on the property tax statements beginning in Year 2002 with an interest rate of 6.25% per annum.

The hearing was open to the Council and audience for questions. Mary Hagen of 36152 Gale Lane stated that she was one of the four property owners and inquired how the other three lots were allocated. She was told that Moengen's received two ERU's, one for the property the house sits on and the other for the property the barn sits on, Blackstad's received one ERU, and Hagen's one ERU. There being no further comments, MOTION PH07-11-01-01 WAS MADE BY CHUCK MILLER AND SECONDED BY SANDY ELIASON TO APPROVE RESOLUTION 01-75 ADOPTING ASSESSMENT FOR GALE LANE SINCE IT IS THE BELIEF OF THE COUNCIL THAT THE MARKET
