

PINEDALE STREET FINAL ASSESSMENT HEARING
CITY OF CROSSLAKE
NOVEMBER 3, 2001
9:00 A.M. – CITY HALL

Pursuant to proper notice duly given as required by law, the City Council met in the Chambers of City Hall for the final assessment hearing on the improvement to Pinedale Street. Present at the hearing was Mayor Darrell Swanson and Councilmembers Sandy Eliason, Charles (Chuck) Miller and Irene Schultz. Absent was Dean Swanson. Also present was City Administrator Thomas Swenson, City Engineer Dave Reese, Community Development Director Paul Larson, and Clerk/Treasurer Darlene Roach. (Sign in sheet attached as a permanent part of the minutes.)

Mayor Swanson called the public hearing to order at 9:00 A.M. and stated that the purpose of the hearing was to hear comments or objections to the proposed assessment for the improvement of Pinedale Street. City Administrator Tom Swenson read the Affidavit of Mailing confirming that the notice of final assessment hearing was deposited in the U.S. Post Office on October 19, 2001 mailed in a prepaid envelope containing the notice of the hearing along with the record of assessment showing the proposed cost to each benefiting property owner based on addresses obtained from the Crow Wing County Auditor's Office. On October 18, 2001 the Notice of Final Assessment Hearing was published in the City's official newspaper, the Lake Country Echo.

City Engineer Dave Reese presented the project summary for the road improvement project. He stated that the project has been completed and the summary reflects the numbers estimated from the feasibility study and the actual cost of the improvement. The feasibility study completed by Widseth Smith Nolting estimated the cost of the project at \$15,000. The actual project cost is \$12,090.45. After the properties were reviewed by City Staff and the City Engineer, it was determined that due to irregularities in this area and in the interest of maintaining benefit to properties being assessed fairly, it was agreed to calculate the remaining 50% of the assessable cost according to lineal frontage. The City share of 50% of the cost of the project is \$6,045.22. The remaining costs of \$6,045.22 will be shared based on lineal feet. The cost per lineal foot is \$9.9197/ft. The City's share of the frontage is 281.3405 feet x \$9.9197 or \$2,790.83. The City's cost will be \$8,836.05 (\$6,045.22 + \$2,790.83). The assessable frontage of 328.0733 x \$9.9197 or \$3,354.40 will be assessed to the benefiting property owners. It was noted that the assessment can be paid in full within thirty days of the adoption of the assessment roll without incurring interest. If the assessment is not paid in full, it will be assessed over a period of ten years and included on the property tax statements beginning in Year 2002 with an interest rate of 6.25% per annum.

The hearing was open to the Council and audience for questions. There being no questions or comments, MOTION PH09-11-01-01 WAS MADE BY CHUCK MILLER AND SECONDED BY IRENE SCHULTZ TO APPROVE RESOLUTION 01-77 ADOPTING ASSESSMENT FOR PINEDALE STREET SINCE IT IS THE BELIEF OF THE COUNCIL THAT THE MARKET VALUE OF THE PROPERTY HAS

INCREASED AS A RESULT OF THE ROAD PROJECT. MOTION CARRIED WITH ALL AYES.
