

2-5 year old Playground System

This will replace our existing system that was installed in 1999. Timbers roofs and themed climbers give this a fun forest theme. It features over 10 separate components.

5-12 year old Playground System

Our 5-12 system will be refurbished to replace faded and broken components. The new components will offer safe and exciting opportunities for children.

Merry-Go-All

Merry-Go-All is a fully accessible, forward-facing inclusive merry-go-round for up to 8 passengers. It's a fun motion activity for everyone to enjoy. It features grip/grasp areas to hold onto while riding or pushing others. The center wheel remains stationary so children can work together to turn Merry-Go-All while seated.

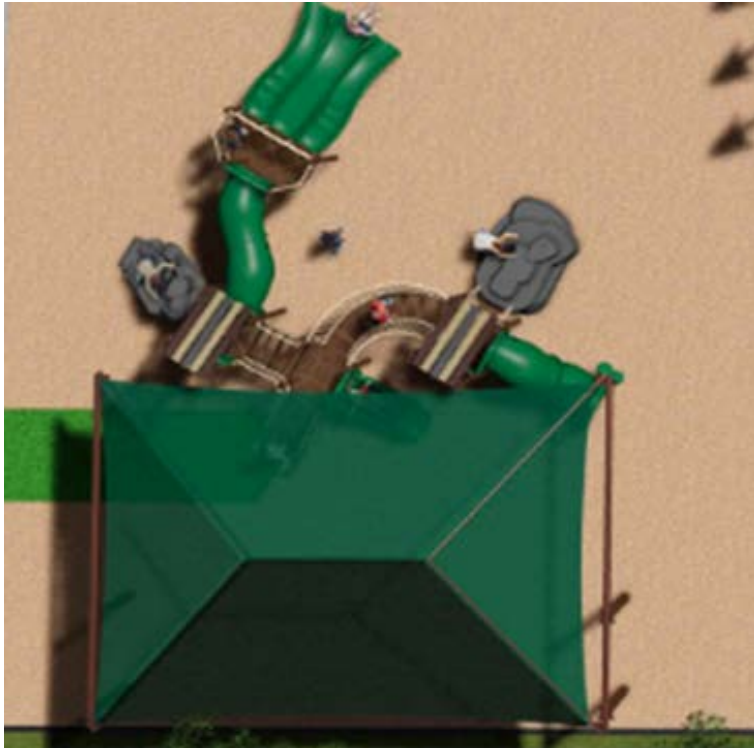

Mary Lu Dietz Obstacle Course

This obstacle course features 10 exciting challenges in less than 1,200 square feet.

This course is dedicated to Mary Lu Dietz, a long time supporter of Crosslake Parks, Recreation and Library.

Shade Feature

27' X 18' X 10' Shade Feature
adjacent to the 2-5 year old
Playground

Swing Set

Expression Swing is the industry's first playground swing that promotes intergenerational play as adults and children swing together. The patented face-to-face design features a bucket seat for children under five and a comfortable adult swing seat that allows a parent and child (or grandparent and grandchild) to interact with each other and experience one another's facial expressions while at play.

Conifer Tree Climbers

These Conifer Tree Climbers take children on an exciting climbing adventure as they move from branch to branch to reach the top of this forest-inspired play event. Rotationally molded conifer toppers bring the look of the forest to the playground, as children use the grippable foot holds and steel hand holds to assist with the climb along the way.

Timing System

With the addition of the timing system, children will be able to challenge their friends for the quickest time!

Border

Replace existing decayed wood border with a 12" plastic interlocking border system. Fully connect the border around the playground.

We are very excited to announce that a major refurbish/replacement project will be underway during the spring/summer months of 2022!

To help make this project a reality, the PAL Foundation is accepting donations. Donations of any size will be appreciated. However, donations totaling \$1,000.00 or more will be recognized on a sign located near the entrance of the playground.

Donations payable to the PAL Foundation can be mailed or dropped off at the Crosslake Community Center – 14126 Daggett Pine Road Crosslake, MN 56442

A501c3 non-profit foundation supporting the future of Crosslake's Parks and Library.
